

APPALACHIAN

LANDSCAPE CONSERVATION COOPERATIVE

***Vision** - The Appalachian Landscape Conservation Cooperative is a science and management partnership to protect the valued resources[^] and biological diversity of the Appalachian region, sustain the benefits provided by healthy and resilient ecosystems to human communities, and help natural systems adapt to large landscape-level stressors and those stressors that may be magnified by the changing climate.*

[^]The term “valued resources” is used to reflect both natural and cultural resources.

***Mission** - The Mission of the Appalachian Landscape Conservation Cooperative is to achieve sustainable landscape-level conservation through partnerships, shared resources, enhanced science-based management capacity, landscape level planning, and supporting conservation actions and research as part of a national network.*
